Maintenance-free calcium battery (Ca/Ca) | wet charged

intAct
BATTERY - POWER

THE POWERFUL ALL-ROUNDER

Maintenance-free calcium battery, with good durability and excellent value for money. Increased performance compared to standard starter battery with same box size. Our recommendation for a low-cost, high-performance starter battery for vehicles with more consumers.

- » Increased performance of up to 15% above the EN standard due to the fully expanding the battery.
- » Wet charged. Ready to use.
- » Approved for charging voltage up to 14.8 volts.
- » Double lid for increased safety.
- » Maintenance-free.

RACE POWER

Artnum.

RP60

Japan-Code
